If you have a ring from which to size...

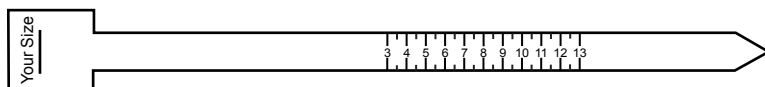

- Make sure the ring you are going to use for sizing is worn on the finger for which you are shopping.
- Print out this chart
- Place the ring on each circle until you find a perfect match. The circle should fit perfectly along the inside of the ring.
- DOUBLE CHECK for accuracy before placing your order

If you do not have a ring from which to size...

- Cut a small piece of string or ribbon
 - Wrap it snugly around your finger to make a ring
 - Compare the 'ring' with this chart following the guidelines above
- OR USE OUR PAPER SIZER BELOW

The Paper Sizer

- Print and carefully cut out the ring sizer below
- Make a small slit on the line labeled 'Your Size'.
- Slip the pointed end through the slit creating a paper ring.
- Place the paper ring around your finger at the point where you would wear your ring
- Pull the pointed end of the paper ring until you have a comfortable, snug fit.
BE CAREFUL NOT TO WRAP IT TOO TIGHT!
- The number line located at the 'Your Size' slit is your ring size.
- DOUBLE CHECK for accuracy before placing your order
